

PUBLIC INSTITUTIONAL PROFILE

Africa Open University

Open Learning | Capacity Development

Africa-led cooperation for partners, universities, foundations, development organizations, donors and institutional supporters.

WHO WE ARE

Institutional identity and purpose

Africa Open University (AOU) is a Liberia-registered, Africa-led open learning and capacity development initiative supporting practical education, youth skills, professional learning, leadership development, technology cooperation, knowledge sharing and institutional partnerships across Africa.

VISION

A trusted pan-African platform

To become a trusted pan-African platform connecting Africa with practical knowledge, skills, innovation and global opportunities.

MISSION

Practical learning and capacity

To expand access to practical learning, empower African youth and professionals with future-oriented skills, and strengthen leadership and institutional capacity.
